NVLAP Lab Code: 200495-0

Dear Ms. Woodard:

I am pleased to inform you that your Scope of Accreditation for continuing accreditation for specific parameters in Calibration Laboratories has been revised. This accreditation is effective until March 31, 2015, provided that your organization continues to comply with accreditation requirements contained in the NVLAP Procedures.

Your revised Scope of Accreditation is enclosed. You may reproduce this document in its entirety and announce your organization's accreditation status using the NVLAP symbol and/or term in business publications, the trade press, and other business-oriented literature. Accreditation does not relieve your organization from observing and complying with any applicable existing laws and/or regulations.

We are pleased to have you participate in NVLAP and look forward to your continued association with this program. If you have any questions concerning your NVLAP accreditation, please direct them to Barbara Belzer, Program Manager, Laboratory Accreditation Program, National Institute of Standards and Technology, 100 Bureau Dr. Stop 2140, Gaithersburg, MD 20899-2140; (301) 975-4016.

Sincerely,

Warren R. Merkel, Chief
